Subject: Follow-Up Items From This AM Meeting (Strengthening Transparency Rule) - EDF Base Comment Letter Attached/FDMS Draft/Metadata Ready Comment Assessment
Attachments: EDF Primary Comment.pdf

As promised:

Follow-Up SC&A Action Items

EDF Base Letter:

Maria, I have attached the EDF base letter - without attachments. I have not assessed all "parts" or "attachments" (or even seen them), but this represents 193 pages of targeted comments.

FDMS Assessment:

Tom, I assessed "Draft" and "Metadata Ready" comments. Although the "received" date indicated a date after the August 16 deadline in many cases, when I open these letters, all of them pre-dated the deadline date (some were even from July-mailed (postmarked)/e-mailed)).
